## Dear Convoy for Kids Participant,

Thank you for taking part in the 2009 Convoy for Kids. Your contribution to this fantastic day means that the lives of many children will be made better.

Included in this Convoy Kit is a copy of the road the convoy will travel.

In order to comply with the requirements of the Police please follow these rules:

1. All passengers in all vehicles must be wearing correctly fitted seatbelts.
2. All passengers need to be seated whilst riding in vehicles. Please take special care of children riding in trucks.
3. Don't hang out the windows of doors of vehicles.
4. Obey all road signs and adhere to the correct speed limits.

By keeping to these points we can ensure a safe convoy for everyone.
